COLLEGE of  
CARDIOLOGY

# THE ACC CARDIOVASCULAR OVERVIEW AND BOARD REVIEW COURSE

**12-13**

**July 2017**

**Suntec Convention Centre  
Singapore**

Perfect your knowledge of general cardiology with the ACC Cardiovascular Overview and Board Review Course. This course offers you an excellent opportunity to review and refresh your proficiency in the field of cardiovascular medicine with expert faculty from the U.S. and Singapore.

Over the course of two days, faculty will guide you through intense, interactive study on:

- Arrhythmias/EP
- Heart Failure
- Adult Congenital Heart Disease
- Valvular Heart Disease
- Coronary Artery Disease
- Prevention

There will be an exit test at the end of the course.

Held in conjunction with **11<sup>th</sup> CARDIOVASCULAR UPDATE** SINGAPORE 2017

## OBJECTIVES

This course will provide attendees with an opportunity to enhance their knowledge and competency in cardiovascular disease.

Upon completion of this course, learners should be able to:

- Identify gaps in their knowledge base and focus study efforts on filling gap areas
- Summarize clinical practice guidelines regarding the practice of general cardiology
- Develop test-taking strategies
- Demonstrate a familiarity with the distribution of expected examination questions

## WHO SHOULD ATTEND

Cardiovascular specialists, physicians, fellows in training, and cardiovascular care associates seeking an in-depth review of general cardiology will find this course of value.

## REGISTRATION

Fees: SGD 1,000 per person (**early bird fee**)
