

Message From the Editor-in-Chief

Hiroaki Shimokawa, MD, PhD

Dear Colleagues,

On behalf of the *Circulation Journal*, I am pleased to report the official 2011 impact factor and the *Circulation Journal* papers (2009–2010) most frequently quoted in 2011, that substantially contributed to the 2010 impact factor of the Journal.

1. The Official 2011 Impact Factor

I am pleased to report that *Circulation Journal* has earned an official 2011 Impact Factor (IF) of **3.766**. The official ranking also places *Circulation Journal* **25th** among the **117** journals in the Cardiac & Cardiovascular Systems category in 2011 JCR Science Edition (38th among the 114 journals in 2010).

2. The Most Frequently Quoted CJ Papers (2009–2010) in 2011

The following papers, published in 2009–2010, were among the top **31** most frequently quoted papers in 2011, thereby substantially contributing to the 2011 Impact Factor of the Journal (number in the parenthesis denoted the number of quotation in 2009–2010).
