

ACC EDUCATIONAL PROGRAMS 2009

The West Coast Cardiovascular Forum

Current Insights and Future Directions

June 19 – 21, 2009

The Ritz-Carlton
San Francisco

Program Director

Valentin Fuster, M.D., Ph.D., F.A.C.C.

Program Overview

Join Valentin Fuster, M.D., Ph.D., F.A.C.C., and a faculty of experts as they bring their popular cardiovascular forum to the West Coast. This comprehensive and interactive three day educational program explores key developments in cardiology today. Major topics covered include coronary artery and valvular heart disease, heart and electrical failure and atrial fibrillation. This enlightening forum will conclude with a discussion of cutting-edge topics that focus on genetics, cell regeneration, diagnostics and therapeutics.

Target Audience

This course is intended for cardiovascular specialists, internists, family physicians, advanced practice nurses, nurses in cardiology and physician assistants.

Accreditation

This activity has been approved for AMA PRA Category 1 Credits™.

The ACCF is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
